If you want the town to have a good band show your interest by helping out on the expense of getting started. It is no little expense to buy the horns, music, etc. To say yes I want to see the town have a band but not able to help is not much encouragement.

The following from the Louisville Herald is high and deserving compliment to a Mt. Vernon boy, who is a student at the school for the blind Louisville: "Spurgeon Smith, partially blind, and Elijah Brown, totally blind, of the Kentucky School, were the stars of the contests, the former scoring twenty four points, the latter thirteen.

Smith's record of 19 feet 10 inches in the running board jump; 300 feet 8 inches in the baseball throw; 30 feet 1 inch in the three consecutive jumps, besides his magnificent time in the dashes, make him one of the best track and field men ever produced in this section of the country.

His team mates expect him also to win the sprinting championship of Kentucky and Indiana when he meets all of the "cracks" of the two States in the Blind School meet next Saturday. Smith is also a football player of ability, and was a great aid to the Blind School team last fall."

## The Doctor's First Question

"How are your bowels?" This is generally the first question the doctor asks. He knows what a sluggish liver means. He knows what a long list of distressing complaints result from constipation. He knows that headaches, bilious attacks, indigestion, impure blood, and general debility are often promptly relieved by a good liver pill. We wish you would talk with your own doctor about this subject. Ask him at the same time if he approves of Ayer's Pills. Do as he says. J. C. Ayer Co., Lowell, Mass.

The prediction that immigration will send the population of the United States up to 200,000,000 in the next fifty years brought out a heated debate in the Northern Assembly of the Presbyterian Church at Denver where Congressman Bennett, of New York a commissioner to the assembly; Dr. V. R. McEwan, of Pittsburg; Dr. Charles Thompson, D. D., of New York, secretary to the board of missions, and others participated.

If you want to feel well, look well and be well, take Foley's Kidney Remedy. It tones up the kidneys and bladder, purifies the blood and restores health and strength. Pleasant to take and contains no harmful drugs. Why not commence today? C. C. Davis.
